Delizie dal mondo. Qualità made in Italy

by  G.L. INDUSTRY

The Company

G.L. Industry specializes in the production of Asian dishes for the food service and retail sectors.

With over **6,000 square meters of production** space, the company combines tradition and innovation through a multicultural team of Italian and Asian chefs who are constantly developing new recipes. The goal is to reinterpret the great classics of Asian cuisine and make them accessible and appealing to Western consumers.

Quality and food safety are ensured by **IFS** and **BRC** certifications—international standards that confirm the reliability of our production processes.

Our Mission

G.L. Industry's goal is to become a leading reference point for those seeking **high-quality ethnic and fusion cuisine**.

This ambition is achieved through two key factors: the use of carefully **selected ingredients** and the ability to offer **products with high service value**—designed to make consumers' busy lives easier and more convenient.

In this way, the company offers a wide range of specialties from the finest Eastern culinary traditions, meeting the needs of a diverse and increasingly discerning clientele.

The Brand

Asiamama is our **line of ready-to-eat Asian dishes**, made with carefully selected ingredients and ready to enjoy.

From first and main courses to dumplings and appetizers, Asiamama reinterprets ethnic cuisine, offering high-quality dishes in convenient formats.

Asiamama products meet two key consumer expectations: speed and quality.

Fusion Experience

THE BEST MEALS OF
